Source: Universities Australia 2016 collection of data on 2017 academic dates (data provided by individual universities). This table reflects principal dates for the standard teaching sessions of each university and are subject to review later in 2016.

This document is NOT intended to fully represent the official academic/operating calendar of individual universities - please refer to their calendars for details.

Many universities now teach outside the periods shown, particularly through winter sessions during June and July (indicated by *). Individual faculties within universities (often Medicine, Health Sciences, Visual Arts and Education) may operate by different timetables.

^ Summer session is offered only for a limited number of degree programs or individual subjects, which can start and finish anytime during the period. N/A indicates an ad-hoc / integrated exam period within the session.
